### **MARY GADD – SPONSORED WALK**

Mary Gadd is walking 72 miles across Hadrian's Wall in September to help buy an Echocardiogram for children in GOSH (Great Ormond St Hospital). Eli was rushed to GOSH at four months old after an echocardiogram discovered that something was wrong with his heart and he was diagnosed with a very rare and complex heart condition. Eli stayed at GOSH for 4 months where his condition was investigated by the highly specialist team & included 4 operations. Mary is fundraising to raise money to help GOSH fund a new echocardiogram machine which is used to monitor heart conditions like Eli's. Eli is home now & though the young parents are very aware of his condition he is a happy smiling young boy who is loved and adored. The sponsorship form is in the porch & there's also a Just giving page.

### **LAUDATOSIANIMATORS**

The theme of this week is brotherly love and how to know God's will.

**Para 89** .... The created things of this world are not free of ownership "For they are yours ,O Lord, who love the living" (Wis 11:26). This is the basis of our conviction that, as part of the universe, called into being by one Father, all of us are linked by unseen bonds and together form a kind of universal family, a sublime communion which fills us with a sacred, affectionate and humble respect.

**Para 228** .... Jesus reminded us that we have God as our common Father and that this makes us brothers and sisters. Fraternal love can only be gratuitous; it can never be a

means of repaying others of what they have done or will do for us.

**To do: Pray for God's world. Avoid the use of plastic and paper, cook only what can reasonably be consumed, use public transport or car-pooling**
